

Discussing Sexuality with Your Children (ages:11-14)

Cindy Pierce educates and entertains audiences with her message about making healthy choices and navigating cultural pressures. She is the author of *Sexploitation: Helping Kids Develop Healthy Sexuality in a Porn-Driven World*.

Dr. Michael Lyons is a family physician who has provided care to kids and adults in the Upper Valley for over 20 years. He is also a clinical assistant professor at Dartmouth's Geisel School of Medicine.

December 7th – 7pm

Parents and guardians of upper elementary and middle school children are warmly encouraged to attend this informative session on talking to kids about sexuality. The presentation and discussion aims to guide what sexuality topics are developmentally appropriate for 11-14 year olds and how parents and guardians can overcome the discomforts of talking about sex with their children. Please join us with an open mind, sense of humor and many questions!
